Lomita Storm Drain Plans are Approved

Plans and specifications for construction of the Lomita storm drain were approved by the Board of Supervisors Tuesday, according to Supervisor Oscar Haughe.

The action was taken to clear the way for condemnation proceedings to acquire title to property needed to complete the project in the post-war period.

The storm drain was originally started as a W.P.A. project and later dropped because of shortage of labor. It is one of the many improvements the county has on schedule for completion after the war.

Building Permits

Following were included in the list of building permits issued by the city engineer's office this week:

William G. Phillips, 2023 Andree ave., to construct a frame porch to his residence at a cost of \$200.

Townsend Club No 1
By BETH PAIGE

Last Friday night brought out a fine report of our finances from Mrs. Alberta Bouldin, secretary and treasurer. We are thus enabled to help Dr. Townsend in his radio programs now going on, in a very pleasing way, something we have not been able to do for quite some time.

Three weeks from tomorrow night we are expected to have a nominating committee appointed for its work.

Last Friday night we were joyfully surprised by the gift of big, brown, juicy, home-made, crisp apple pies hot from the oven, the gift of Mrs. Lura Davis, who certainly is fond of her club.

Tomorrow night, unfinished business, games, dancing and a pointluck dinner for Friday,
